Tips for Writing Your Faith Story

As an example, read Paul's faith story. Your story likely has the same four parts.

	Acts 22	Acts 26
Part 1	3-5	4-12
Part 2	6-9	13-18
Part 3	10-21	19-23
Part 4	22-30	24-29

Some Tips

- Pray for guidance on what to include in each part.
- Read your story aloud at a conversational pace. If over 5 minutes, look to shorten.
- Avoid exaggeration or harsh criticism of any person or organization.
- Use terms that a person with no church background or experience would easily understand.
